

**Destination Parks**  
 Some of Nanaimo's most popular destinations are its parks and trails. With over 800 hectares of parkland and over 170 kilometres of trails, the City has an abundance of places to visit. Take a moment to walk, hike, cycle, roller blade, beachcomb or picnic and to discover Nanaimo's exceptional beauty, unique characteristics and abundance of nature found within an urban setting. Take a moment to explore the many parks and trails found all around you!

Icon numbers correspond with listed destinations & icons on the amenity grid on the reverse side.
