

**PROCLAMATION
EDUCATION SAVINGS WEEK
NOVEMBER 20-26/2016**

- WHEREAS: A post-secondary education is becoming more expensive and early planning more critical; and,
- WHEREAS: There are strong and clear linkages between education and poverty reduction; and,
- WHEREAS: A Registered Education Savings Plan (RESP) is one of the safest and most effective ways for families to save for their child's post-secondary education. RESPs ensure that families get all the available government grants and that their money is kept and invested in a safe and secure way.

NOW, THEREFORE, I, Bill McKay, Mayor of the City of Nanaimo, do hereby proclaim that the week of November 20 to 26, 2016, be known as:

"EDUCATION SAVINGS WEEK"

in the City of Nanaimo.

Bill McKay
MAYOR

Dated this 18th day of July, 2016.
